Profile Published: February 2017

Recertification due: 8 January 2020

Assessor: Rob Clewes

Business Scope

The scope of this certification covers the IT infrastructure currently used within Exeter Analytical (UK) Limited, including, but not limited to servers, workstations desktops and laptops, firewall hardware, anti-virus, software applications, smartphones, photocopiers, printers and analytical instruments include specific instrument software. All equipment within the scope of this assessment is at the University of Warwick Science Park, The Venture Centre, office in Sir William Lyons Road, Coventry CV4 7EZ.

Certification Body

Capula

Accreditation Body

This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile published in February 2017 and thus that, at the time of testing, the organisation's ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisation's defences will remain satisfactory against cyber attack.
